

## Update on Prehospital Drugs Rulemaking, May 11, 2006

As explained in the Update of April 26, 2006, ADHS is now proceeding with a combined rulemaking that includes the regular rulemaking portion of the Prehospital Drugs Rulemaking and the other rule changes recommended by EMS Council at its meeting on April 21. ADHS has completed a Draft Notice of Proposed Rulemaking for this combined rulemaking, which is now available on the ADHS website at [http://www.azdhs.gov/diro/admin\\_rules/prehospdrugs.htm](http://www.azdhs.gov/diro/admin_rules/prehospdrugs.htm). ADHS intends to file the Notice of Proposed Rulemaking with the Office of the Secretary of State by June 30.

ADHS has also completed a Draft Economic Impact Statement to accompany the combined rulemaking. It is also available at [http://www.azdhs.gov/diro/admin\\_rules/prehospdrugs.htm](http://www.azdhs.gov/diro/admin_rules/prehospdrugs.htm).

ADHS is accepting comments on the Draft Economic Impact Statement **until June 15, 2006**. Please submit any comments on the Draft Economic Impact Statement to Sarah Harpring as follows:
